Red Hot Desert Nights

MONDAY, MAY 2

Break out your Denim and Diamonds for an extraordinary evening on the San Andreas Fault

From the warm heart of the California desert, in the beautiful city of Palm Springs resides a place of enchantment and wonder.

Arriving at this mysterious compound you will be welcomed into an oasis of delights; including red jeep tours of the desert at night, target shooting, cigar rollers, games, a first class menu, open bar and a few surprises!

Included in the evening will be a very special gifting station where you can design your own custom Laudi Vidni leather goods.

This is a chance to enjoy the magic of the San Andreas Fault in a desert location like none other.
