Pennsylvania Department of Health <a href="#">Order</a>		<p>The Order requires individuals to wear a "face covering." "Face covering" means a covering of the nose and mouth that is secured to the head with ties, straps, or loops over the ears or is wrapped around the lower face. A "face covering" can be made of a variety of synthetic or natural fabrics, including cotton, silk, or linen, and, for the purposes of the order, can include a plastic face shield that covers the nose and mouth. "Face coverings" may be factory-made, sewn by hand, or improvised from household items, including but not limited to, scarves, bandanas, t-shirts, sweatshirts, or towels. While procedural and surgical masks intended for health care providers and first responders, such as N95 respirators, would meet these requirements, these specialized masks should be reserved for appropriate occupational and health care settings.</p>	07/01 – issued, effective until end of state of emergency
